Montreal-based TechnoCap Inc. announced Wednesday that five companies it has invested in have won 10 investor's choice awards over the past year.

Those award-winning firms are based in Montreal, Toronto, Banff, San Francisco and Boston.

Richard Prytula, president of TechnoCap, also said that four of its investee firms were part of the top 50 Canadian venture capital deals in 2000.

The announcements were made at the CIBC World Markets Communications Food Chain Conference, held in New York.

TechnoCap Inc. is a private venture company that invests in technology companies and the Internet. It has invested \$70 million in over 20 companies since 1993.
